

MC38-hCD24/hCD47

Strain Information

Cat. NO. NMC-230051

Cell Line MC38-hCD24/hCD47

Strain State Validation of tumorigenic capacity completed

Model CD24/CD47 gene humanized MC38 cell line

Description *Literature published using this strain should indicate: MC38-hCD24/hCD47 cell

line (Cat. NO. NMC-230051) was purchased from Shanghai Model Organisms

Center, Inc..

Validation Data

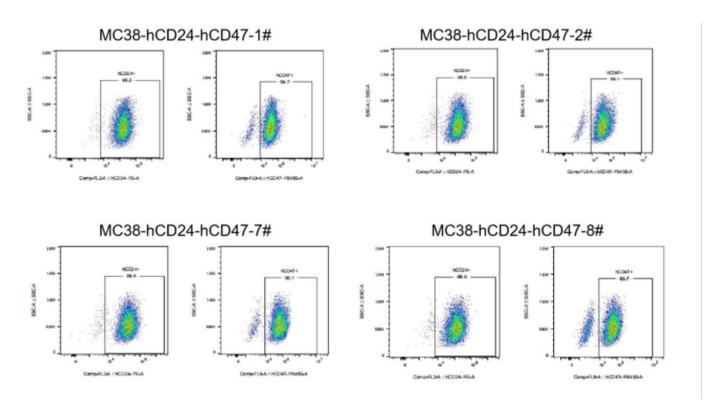

Figure 1. hCD24-hCD47 Expression in wild-type MC38 cells and MC38-hCD24-hCD47 was detected by FACS.

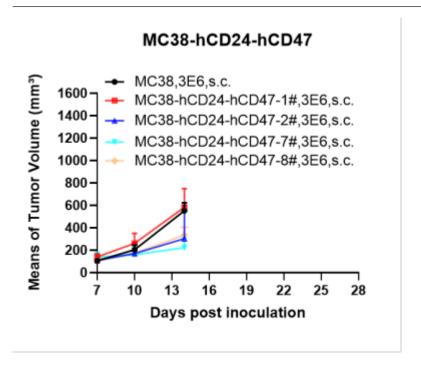

Figure 2. *In vivo* hCD24-hCD47 activity curve of MC38-hCD24-hCD47 xenograft mouse model (n=5).
