

MC38-hCD47/Sirpa

Strain Information

Cat. NO.	NMC-230059
Cell Line	MC38-hCD47/Sirpa
Strain State	Construction
Model Description	CD47 gene humanized MC38 cell line with Sirpa gene overexpression *Literature published using this strain should indicate: MC38-hCD47/Sirpa cell line (Cat. NO. NMC-230059) was purchased from Shanghai Model Organisms Center, Inc..

Validation Data

No data
