

MC38-hCD98

Strain Information

Cat. NO. NMC-230088

Cell Line MC38-hCD98

Strain State Construction

Model CD98 gene humanized MC42 cell line

Description *Literature published using this strain should indicate: MC38-hCD98 cell line (Cat.

NO. NMC-230088) was purchased from Shanghai Model Organisms Center, Inc..

Validation Data

No data
