

# NCI-H522

## Strain Information

|              |                                                                                                                                                         |
|--------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|
| Cat. NO.     | NM-F26                                                                                                                                                  |
| Cell Line    | NCI-H522                                                                                                                                                |
| Strain State | Validation of tumorigenic capacity                                                                                                                      |
| Model        | Human non-small cell lung cancer cell line                                                                                                              |
| Description  | *Literature published using this strain should indicate: NCI-H522 cell line (Cat. NO. NM-F26) was purchased from Shanghai Model Organisms Center, Inc.. |

---

## Validation Data

\*Wild-type cell lines are not for sale, and only applied to construction of tumor bearing mice and in-vivo efficacy studies.
